

Spreading the Healthy Eating Message

A number of students across the school entered in a Healthy Eating Poster Competition with wonderful results!

All entries were sent onto the Healthy Kids School Canteen Association Healthy Eating Poster Competition and we await judging at state level to see if one of the posters will win our school \$1000 to further promote healthy eating. (We won't know that until near the end of the year).

However, before we did send the entries on... the School Canteen Committee arranged a local judging of the entries and awarded canteen vouchers to the winners. And the winners were... (Drum roll...)

- 1st Monique Monzett
- 2nd Isabella Herrmann
- 3rd Jessica Halsted

Congratulations to these budding artists and to all those who entered for making a great contribution to our school! All posters were scanned, printed and laminated to spread the Healthy Eating message across the school throughout the year. All can be seen on our canteen website:

<http://coonahighcanteen.wikispaces.com/>

Many thanks to all who entered from the CHS Canteen Committee (Please Note: the local judging has no influence on the state wide competition & we have our fingers crossed for all entries from our school!)

(LtoR) Isabella Herrmann, Monique Monzett, Jessica Halsted & Vivian Evans (Canteen Convenor)

Hot News... Our School Canteen has been profiled on the NSW Public Schools Website See more at <http://www.schools.nsw.edu.au/student-support/studentwellbeing/schoolcanteen/schoolstories/index.php>

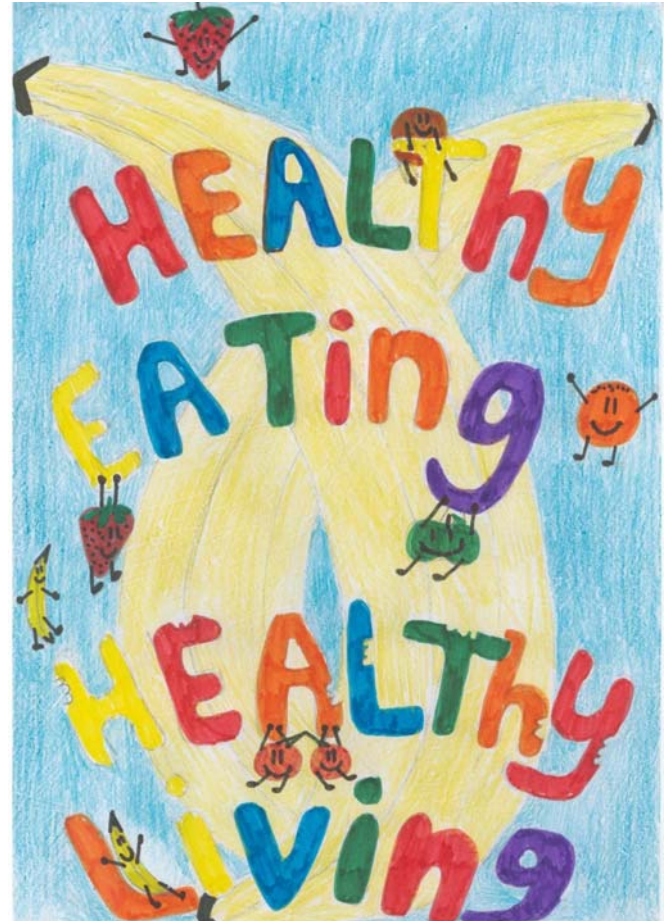

08/08/08
